**(Proceeding Terminated)**

**Adopted: January 26, 2005****Released: January 28, 2005**

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a multiple *Notice of Proposed Rule Making*,<sup>1</sup> specified below, setting forth two separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Commission's rules.<sup>2</sup> Each petitioner filed comments in support of its proposal reaffirming its intention to apply for the requested channel, if allotted. Each proposal complies with all Commission technical requirements and we continue to believe each proposal would serve the public interest. There were no additional comments or counterproposals received in response to the above-listed dockets. Accordingly, we adopt each proposal as originally proposed. These are as follows:

**A. MB Docket No. 04-368; RM-11067**
